

Hilderman Thomas Frank Cram is an award-winning firm of landscape architects and planners located in Winnipeg. The firm is currently seeking an **intermediate level landscape architect** who will work closely with partners and staff on detailed design projects from inception to completion.

Qualifications:

The successful candidate for this position will have:

- Strong consultation and design development skills
- Significant project management and contract administration experience
- A collaborative spirit
- Expertise in construction detailing and procedures
- Well-developed graphic, written and verbal communication skills
- A thorough knowledge of related computer-aided design tools

What we offer:

We offer an eclectic range of projects, a friendly work environment, competitive salary and an exceptional benefits package that encourages professional development.

Please email in confidence your resume, complete with representative projects and references to **office@htfc.mb.ca**. Qualified candidates will be contacted for an interview.
