Lombard North Group is currently seeking a Landscape Architect with 6 to 8 years of work experience. The successful candidate is someone who is passionate about design, able to work independently and lead projects from conceptualization to implementation. The candidate should have strong technical skills in graphic presentations, construction documents and is able to manage projects and provide site supervision. The individual should be a "self-starter" providing solutions quickly to deal with multiple projects.

Lombard North Group is a planning and landscape architectural firm specializing in urban design, regional planning, and land development for over 35 years. Some of our current projects include waterfront development, parks, residential and municipal development plans. We work in an open collaborative environment and offer all of our professionals the opportunity to advance their careers and become an integral part of the firm.

The candidate should be proficient in AutoCAD, Adobe Photoshop, Adobe Illustrator CS, SketchUp, and Microsoft Office XP Pro (Word, Excel, and PowerPoint). Certification with professional seal is preferred but not necessary.

Please provide us with the following information:

- A cover letter
- Resume indicating your work experience
- 4 examples of your best projects in a PDF format
- 3 references

Feel free to log on our website at www.lombardnorth.com and if you are interested in the position please email your information to info@lombardnorth.com

We thank all who apply for this position with Lombard North Group, but only those candidates considered for interviews will be contacted.
