

Employment Opportunity

McGowan Russell Group is seeking a Landscape Architect with minimum 3 years experience to complement our existing professional staff.

An ideal candidate for this position will have:

- Landscape Architecture degree from a recognized, accredited institution
- Strong expertise in design development, technical details and contract administration with at least 3 years experience in a professional office
- Independent work ethic with the ability to lead projects from inception to completion
- Well-developed knowledge of autocad, microsoft office, and photoshop
- Strong verbal, written and graphic communication skills

MRG offers a comprehensive benefits package and industry leading salaries. Please send resume and examples of your work in confidence to Susan Russell at 200-120 Fort St. Winnipeg, MB R3C1C7 or email: srussell@mcgowanrussell.com. No telephone calls please. Qualified candidates will be contacted for an interview.

McGowan Russell Group is a dynamic team structured office. The diversity of our projects requires all team members to be involved at each stage of projects, from conceptual design to construction drawings to field review. We have many high profile projects completed and in progress. Our scope of practice includes urban design, streetscaping, professional and amateur sports facilities, memorial and park design, subdivision design and image development, and strategic planning.
