

SCATLIFF + MILLER + MURRAY Inc.

Winnipeg Calgary Beijing

EMPLOYMENT OPPORTUNITY
**PROFESSIONAL
LANDSCAPE ARCHITECT**

Our Winnipeg and Calgary offices have openings for accomplished landscape architects. While the positions are focused in Winnipeg and Calgary, there will be opportunity to work on projects throughout our market area. We view this as a unique and significant career opportunity. The successful candidate(s) will likely excel in computer aided design and presentations, or have superior hand graphics combined with an impressive body of completed design work. We will also consider entry-level candidates that demonstrate exceptional graphic capability.

Scatliff+Miller+Murray has a comprehensive and unique benefits program that includes a matching RRSP contribution.

If you are interested in the Winnipeg positions, you may direct your confidential enquiries by emailing your resume and examples of your best work to Mike Scatliff at: michael1@scatliff.mb.ca. If you are interested in the Calgary positions, e-mail the requested information to Deron Miller at: dtmiller@telus.net. No telephone calls please.

Scatliff+Miller+Murray is a diversified consulting firm providing services primarily in Urban Design. The designers of Scatliff+Miller+Murray have been involved in many significant assignments throughout Canada, the United States, Bermuda and China. We have featured award winning projects through the prestigious Canadian Society of Landscape Architects Design Awards, the International Downtown Association, and the Top Honor Award at the "Excellence on The Waterfront" International Design Competition, presented in Washington D.C. Recently, with GBR Architects, we received the 1st Prize in the City Re-emerging, International Ideas Competition. We received the Top Honour for the 2002 Peoples Republic of China Planning & Residential Development Association Ideal Community Award of Excellence for Spring's Vitality, Beijing, and the 2002 Peoples Republic of China Ministry of Construction Environmental Design Award.
