

MALA eLetter #5
May 2, 2005

The second annual **MPPI/MALA Making the Links Golf Tournament** will be held on the afternoon of **Thursday, June 16th** at the Player's Golf Course, with registration and lunch at 12:00 noon, a tournament shotgun start at 1:00 pm, and dinner and prizes at 4:30 pm. This event is for a great cause because all proceeds go towards two annual student awards (one planning student and one landscape architecture student) at the University of Manitoba. Please see the attached *Registration Form* for further details – but be advised that the registration deadline is Friday, June 13th. You don't have to be a golfer and you don't need a full team to sign up, so please join us!

Please be reminded that the *Friends of the Assiniboine Park Conservatory* will conduct its **Mother's Day Plant Sale 2005** this Sunday, May 8th from 9:00 am to 4:00 pm at the Assiniboine Park South Parking Lot (enter off Corydon Avenue). This sale is the main fundraising event for *The Friends* and your participation is very much appreciated.

It's not too late to nominate a project for *The 2005 Winnipeg Accessibility Award*. Please contact Kathy Taylor-Hallick (Access Advisory Committee Coordinator) at ktaylorhallick@winnipeg.ca or 204.986.8345. The deadline for nominations is Friday, May 13, 2005.

The Laurentian Bank is inviting design professionals and students across Canada to participate in an ideas competition for a distinctive exterior identity of the Laurentian Bank in Montreal. Proposals must be submitted by 5:00 pm on Thursday, May 12th. The entry form, program details and terms and conditions of the ideas competition can be downloaded at www.phd-architecture.com.

Following acceptance by the Examining Board, a membership application was approved at the April 22nd Council Meeting. We are pleased to welcome the following individual to the Association:

Ryan Wakshinski was accepted as an Associate Member. Ryan graduated with a B.Env.D in 1996 and an M.Land.Arch degree in 2002, both from the University of Manitoba. He has been employed with a firm in Bristol, England since 2003, but will be returning to Winnipeg soon to commence his MALA internship.
